

#73605FE - LARGE METRO CONCRETE INSTALLATION, OKLAHOMA

<https://www.ibexbeyond.com>

Established in 2008, the company has earned a reputation for high-quality concreting in both residential and commercial sectors. With large, established commercial relationships accounting for 70% of the business, the remaining 30% comes from residential projects. At least 50% of new business is gained through referrals. The owner has built...
