

#73871CEH - SUPPLIER OF MISSION CRITICAL POWER GRID COMPONENTS, TEXAS

<https://www.ibexbeyond.com>

Based in Texas, this company sells and rebuilds Reclosures, intelligent, pole-mounted, mission critical, switchgear devices. Electrical utilities use reclosures to improve grid reliability, reduce the duration of outages, and minimize the number of affected customers. The Company rebuilds reclosures as a service and also sells rebuilt reclosures from their inventory...
